SUMMARY

I'm a Full-Stack Developer based in Gujarat, India, currently pursuing my BSc in IT at Ganpat University. I'm passionate about writing clean code and building modern web applications. I develop dynamic and responsive websites using the MERN stack and constantly work on personal projects to strengthen my skills. I enjoy creating full-stack clones and learning new technologies to improve as a developer.

EXPERIENCE

Self-Learning & Academic Projects

- Developed a personal portfolio website using the MERN stack with responsive UI and dynamic content.
- Built a PG Hostel Finder web application using MERN stack, including search, filters, and admin features.

SKILLS & ABILITIES
